*The Anson/Moore/Montgomery/Richmond County CoC joined the Balance of State CoC prior to the 2010 Point-in-Time Count. To ensure that the year-to-year comparisons in this chart remain consistent, the numbers from the A/R/M/M CoC have been added to the Balance of State CoC for 2007, 2008, and 2009 as well.

**In 2011, 2009, 2008, and 2007, the Northwest NC CoC used extrapolation methods to derive its unsheltered count. In 2010, the CoC did not use extrapolation methods, resulting in much lower counts for unsheltered and chronically homeless people, and thus a lower overall count.

For 2009-2013, counts are as reported to NCEH by CoC coordinators. For 2008 and 2007, counts are as reported on CoC applications.

This document was created by the North Carolina Coalition to End Homelessness.
