Individual Adult in need of service

- The four agencies below are designated entry points. An initial screening is done to determine if individual can be redirected or prevented from becoming homeless.

Goldsboro Housing Authority
- Initial Screening
  Attempt to redirect/prevention and refer.

Eastpointe
- Initial Screening
  Will attempt of refer to needed services if individual cannot be redirected.

NC Works
- Does initial screening will attempt to provide services to help redirect/prevention.

Salvation Army
- does initial assessment
- If can not be redirected and qualifies, keeps individual in shelter and will do VI-SPDAT in 14 days.

If individual qualifies, they will be referred for prevention/diversion services.

If prevention or diversion is not possible, individual will be referred to a shelter. If shelter is available to keep individual, a VI-SPDAT will be done in 14 days and then determined how to assist individual.
