DEFINITIONS OF TERMS

Program Type

- **Permanent Supportive Housing** is permanent housing and supportive services for homeless persons with disabilities.
 - Programs include publicly and privately funded permanent supportive housing programs, CoC-funded permanent supportive housing (Shelter+Care and SHP Permanent Housing), HUD-VASH (Veterans Affairs Supportive Housing), Housing Opportunities for Persons with AIDS (HOPWA) permanent supportive housing, and HUD Public and Indian Housing (PIH) permanent supportive housing

Beds and Units

- **Beds for Adults** are designated for households in which everyone is an adult (single adults, adult couples without dependent children, adults with adult sons/daughters).
- **Beds for Families** are designated for households of adults and dependent children.
- **Units for Families** are separate rooms, units, or buildings designated to each house one family.
- **Beds for Households of Only Children** are designated for households in which everyone is under 18 (unaccompanied children, adolescent parents and their children, adolescent siblings, etc.)
 - If beds are not designated exclusively for a particular type of household, record the beds according to how they were used on the night of the PIT. If the program is not at full capacity on the night of the PIT, extrapolate the distribution based on the pro-rated distribution of the beds that were filled that night.
- **Beds Dedicated to Chronically Homeless Persons** are beds that are reserved for individuals and/or families that are chronically homeless at program entry. These beds must be filled by chronically homeless participants unless there are no chronically homeless people within the program's service area.
- **Beds dedicated to veterans** are beds that are reserved for homeless veterans (and their families, if applicable). These beds must be filled by veterans unless there are no homeless veterans within the program's service area.
- **Beds dedicated to youth** are beds that are reserved for homeless youth up to age 24. These beds must be filled by youth unless there are no homeless youth within the program's service area. In the Bed Inventory chart, the program must indicate if the dedicated beds are reserved only for youth under age 18, only for youth ages 18-24, or for all youth up to age 24.

Households

- **Households with Adults and Children** include households in which at least one adult and one child are present on the night of the count.
- **Households without Children** include single adults, adult couples without children, and adults with adult sons/daughters. It also includes adults who have children, but whose children are not present with them on the night of the count.
- **Households of Only Children** are households in which every person is under the age of 18. This includes unaccompanied children under 18, adolescent parents and their children, adolescent siblings, or other household configurations composed only of children.

Chronically Homeless

- Definition: a homeless individual (adult or youth) or a homeless family with a head of household (adult or youth) who:
 - Has a disabling condition (serious mental illness, substance use disorder, developmental disability, PTSD, cognitive impairments from brain injury, chronic physical illness or physical disability)**AND**
 - Has been homeless and living in a place not meant for human habitation or an emergency shelter continuously for at least 1 year or on at least 4 separate occasions in the last 3 years where the combined length of time homeless on those occasions totals at least 12 months
