DEFINITIONS OF TERMS

Unsheltered

- An unsheltered homeless person is someone who, on the night of the Point-in-Time Count, was residing in a place not meant for human habitation. These places include the streets, parks, bus/train stations, encampments, cars, or abandoned buildings.
- Unsheltered situations do NOT include people doubled up with friends or family, people staying in hotels/motels they paid for themselves, people living in substandard housing, or people who are in institutions (hospitals, jail/prison, residential treatment facilities, etc.). Do not include people staying in these places in your unsheltered count.

Households

- Households with Adults and Children include households in which at least one adult and one child are present on the night of
 the count.
- **Households without Children** include single adults, adult couples without children, and adults with adult sons/daughters. It also includes adults who have children, but whose children are not present with them on the night of the count.
- Households of Only Children are households in which every person is under the age of 18. This includes unaccompanied children under 18, adolescent parents and their children, adolescent siblings, or other household configurations composed only of children.

Chronically Homeless

- Definition: a homeless individual (adult or youth) or a homeless family with a head of household (adult or youth) who:
 - Has a disabling condition (serious mental illness, substance use disorder, developmental disability, PTSD, cognitive impairments from brain injury, chronic physical illness or physical disability)

AND

- Has been homeless and living in a place not meant for human habitation or an emergency shelter continuously for at least 1 year or on at least 4 separate occasions in the last 3 years where the combined length of time homeless on those occasions totals at least 12 months
- A chronically homeless household includes at least one adult member or minor head of household who is chronically homeless.
 When one household member qualifies as chronically homeless, <u>all members</u> of that household should be counted as chronically homeless. (For example, if one adult in a two-adult household is identified as chronically homeless, both adults should be counted as chronically homeless.)

Veteran

• An adult who has served on active duty in the Armed Forces of the United States. This does not include inactive military reserves or the National Guard unless the person was called up to active duty.

Youth

- Youth are people age 24 or younger, including children under age 18 and young adults age 18-24.
- A **Youth Household** is a household made up entirely of youth age 24 or younger.
- A **Parenting Youth** is a person age 24 or younger who identifies as the parent/legal guardian of one or more children who are present with them on the night of the count, where there is no person over age 24 in that household.
- An *Unaccompanied Youth* is a person age 24 or younger who is <u>not</u> accompanied by a parent/legal guardian and is <u>not</u> a parent presenting with his/her children. Unaccompanied youth can be single youth, youth couples, or groups of youth presenting together as a household.
