DEFINITIONS OF TERMS

Program Type

- **Rapid Re-Housing** provides time-limited rental assistance and housing stabilization services to move homeless people into permanent housing as quickly as possible.
 - Programs include CoC-funded & ESG-funded rapid re-housing programs, VA Supportive Services for Veteran Families (SSVF) rapid re-housing programs, HUD-funded Rapid Re-Housing Demonstration programs, and other publicly or privately funded rapid re-housing programs.
- For all rapid re-housing programs, only report program participants who are actively enrolled in the RRH program (including those only receiving services) and residing in permanent housing on the night of the count.
- For the Bed Inventory chart, rapid re-housing beds and units are equal to the number of permanent housing beds and units occupied by program participants on the night of the count.

Beds and Units

- **Beds for Adults** are beds that were filled by single adults, adult couples without dependent children, or adults with adult sons/daughters.
- **Beds for Families** are beds that were filled by households of adults and dependent children.
- **Units for Families** are units that were filled by households of adults and dependent children.
- **Beds for Households of Only Children** are beds that were filled by households in which everyone is under 18 (unaccompanied children, adolescent parents and their children, adolescent siblings, etc.)
- **Beds dedicated to Veterans** are beds that are reserved for homeless veterans (and their families, if applicable). These beds must be filled by veterans unless there are no homeless veterans within the program's service area.
- **Beds dedicated to Youth** are beds that are reserved for homeless youth up to age 24. These beds must be filled by youth unless there are no homeless youth within the program's service area. In the Bed Inventory chart, the program must indicate if the dedicated beds are reserved only for youth under age 18, only for youth ages 18-24, or for all youth up to age 24.
