NC SOAR Caseworker Certification

To become an NC SOAR Certified Caseworker, an individual must complete two stages of certification. Materials submitted for review should only be from approved applications; the SOAR State Team Lead will consider accepting denied or pending applications on a case-by-case basis.

For questions, please contact soar@ncceh.org.

STAGE 1

- Complete the SOAR Plus! Training
- Complete the NC SOAR-specific quiz
- Complete *at least* one SOAR application using the [Quality Review Checklist](#)
- Submit one Medical Summary Report -OR- SOAR FAST
- Complete SOAR Caseworker Certification Exam

Completion of Stage 1: NC SOAR Certified Caseworker—Provisional Status

STAGE 2

- Complete **two additional** SOAR Applications w/MSRs or FASTs
- Submit copies of Medical Summary Reports (MSRs) or Functional Assessments (FASTs) to NCCEH SOAR State Lead for review
- Complete NC SOAR Self-Assessment and Evaluation
- Complete NC SOAR Caseworker Exam

Certification Process

NCCEH will evaluate submitted materials at each stage of certification and notify caseworker of approval of NC SOAR Certified Caseworker status. Caseworkers will receive documentation that they are NC SOAR certified and will be added to the state list of certified SOAR caseworkers.

In order to maintain NC SOAR Caseworker Certification, the individual must continue to submit outcomes forms, complete an annual SOAR self-assessment and evaluation, and participate in monthly SOAR dialogue calls and community workgroup meetings.
