2019 Scorecard for CoC Funds: New Projects

This scorecard will be used by the North Carolina Balance of State Continuum of Care (NC BoS CoC) Project Review Committee to score applications for new projects. The CoC prioritizes projects that serve households with severe needs and vulnerabilities, including chronic homelessness.

This scorecard has four goals:

- Fund organizations that have the capacity to run effective programs (can manage and administer the program, can operate on reimbursement basis, have experience serving this population or a similar one).
- Fund projects that reflect the NC BoS CoC & HUD's priorities: projects that meet community need, as outlined by the funding priorities document approved by the NC BoS CoC Steering Committee.
- Incentivize agencies to be good partners (participating in community efforts to end homelessness, on HMIS, helping create infrastructure for their community's homeless service system to operate effectively throughout the year).
- Ensure that funded projects are being good stewards of NC BoS CoC funding and performing to NC BoS CoC standards, including descriptions in written standards and the NC BoS CoC grantee agreement.

The BoS Project Review Committee may ask applicant agencies to provide additional information to determine agency capacity to: implement projects in a timely manner with successful outcomes, score well on the HUD Annual Performance Report (APR), and avoid jeopardizing overall agency stability or future funding for the NC BoS CoC.

PROJECT QUALITY REQUIREMENTS		
New projects **must receive at least the standard and minimum score in each section**. Standards and funding priorities will be used in the ranking process. If a standard or minimum is not met, further review will be triggered. After further review, the Project Review Committee will determine potential consequences, including whether the project is ineligible for inclusion in final NC BoS CoC application or will receive reduced funding. **Thresholds are a requirement** for new projects. Projects that do not meet thresholds will not be put through the next steps in the application process.	**Maximum Score Possible:**	**PSH: 86** **RRH:78**

Targeting to Prioritized Subpopulations

2.2a	The Department of Housing and Urban Development (HUD) and the NC Balance of State CoC (NC BoS CoC) prioritize funding for certain homeless subpopulations, including people experiencing chronic homelessness, homeless Veterans survivors of domestic violence, and youth. Is this project targeting one of the subpopulations below? If so, does it describe additional outreach activities, partnerships with organizations that serve that population, and a service plan that meets that subpopulation's specific needs? (Exceptions may be made for public housing authorities - PHAs are not eligible to apply for ESG funds but are eligible for CoC funding. In 2019 exceptions may also be made for projects applying for the DV-RRH bonus funding).	Threshold ☐ met ☐ unmet ☐ N/A ☐ unmet, documentation not provided
Housing Over Services		

2.3	CoC programs should maximize the number of people they can serve by leveraging other sources of funding for services and dedicating most of their HUD funding toward housing assistance.
	
	Does this program leverage services funding for its clients and does it have a plan in place to increase the amount of its budget dedicated to housing assistance? To receive full points, the program should demonstrate:
	   • It currently has formal relationships with another agency (at least MOUs or MOAs in place) or a dedicated funding stream to provide some services for program participants that are funded by another source besides CoC program funds.
	   • Services provided by other funding sources exceed the required 25% match.
	   • The program has a plan in place to increase the amount of services provided by other funding sources.

2.6a	**Core Program Standard: Housing Identification**	
2.6a1	Program designates staff whose responsibility is to identify and recruit landlords and encourage them to rent to homeless households served by the program. Staff have the knowledge, skills, and agency resources to: understand landlords' perspectives, understand landlord and tenant rights and responsibilities, and negotiate landlord supports. A program may have dedicated staff for whom this is the primary responsibility. If a program does not have a dedicated staff person(s) who performs this function, case manager job descriptions must include responsibilities including landlord recruitment and negotiation and at least some of the program's case managers must be trained in this specialized skill set to perform the recruitment function effectively.
