2019 CONTINUUM OF CARE GRANTEE CERTIFICATION

BACKGROUND

The North Carolina Coalition to End Homelessness (NCCEH) serves as the Collaborative Applicant for the NC Balance of State Continuum of Care (NC BoS CoC), and as such, is charged by the U.S. Department of Housing and Urban Development (HUD) to operate and administer CoC activities and to monitor grantee performance ([24 CFR Part 578](#)). To further NC BoS CoC goals and to clarify expectations, this document defines grant recipient responsibilities and is to be signed annually by an authorized representative of the grant recipient agency.

NC BoS CoC grant recipients have a grant agreement with HUD. The grant recipient must adhere to all requirements and obligations outlined by HUD. In the event that grant recipient responsibilities change, revisions will be made to this certification and require a new signature.

Before applying for renewal or new CoC funding, it is imperative that all project applicants read the CoC Program Interim Rule ([24 CFR Part 578](#)) as it provides the requirements for implementation and administration of the CoC Program.
