ESG-CV-1 Regional Committee Instructions

On Monday June 22, 2020, the North Carolina Department of Health and Human Services (NC DHHS) released a [grant opportunity](#) for non-profits and local units of government to provide services related to assisting individuals or families that are homeless or at-risk of becoming homeless effected by the COVID-19 Pandemic. This is the first opportunity for agencies to apply for Emergency Solutions Grant CARES Act funding.

On Wednesday, June 24, 2020, the North Carolina Balance of State (NC BoS CoC) Steering Committee voted to participate in the state's plan to use Back@Home for Housing Stability Projects.

One Regional Application and Regional Budget will be completed by NC BoS CoC staff for the seventy-nine counties. Regional Committees **do not** need to complete a Regional Application or Budget. NCCEH staff will provide a letter for Regional Leads to sign stating they understand the Steering Committee's process to make decisions for ESG-CV Crisis Response Funding. Regional Leads should return this letter to NCCEH staff at bos@ncceh.org by July 3, 2020 at 6 PM.

Agencies interested in providing Street Outreach (SO) or Emergency Shelter (ES) or services must complete a separate Crisis Response Project Application. The NC BoS CoC will make decisions of which projects to include in the Regional Application and Budget that is submitted to NC DHHS.

Agencies interested in providing Homelessness Prevention (HP) and Rapid Rehousing (RRH) services must complete a separate Housing Stability Project Application. The NC BoS CoC will provide support letters to applicants. NC DHHS will determine which agencies are awarded funding.

ESG-CV Application Information for the NC BoS CoC are posted at www.ncceh.org/bos/esgcv
