Lakitra Claude gave an update on the PPE COVID Supplies ordered. She will be in touch with the agencies requesting supplies when they are received

The Back at Home grant was applied for by Trillium. River City CDC was unable to submit the application by the deadline date. River City does have the Crisis Response funds. Ms. Reta Blair was welcomed as the new CSBG Director for EIC, Inc. More information will be available from her in regards to the CSBG CARES funds application and uses for those funds.

There was a discussion held in regards to the goals and objectives by each program member of NEHC. Each agency offered information on what type of case management they conducted such as financial counseling, budgeting, job placement, etc. A key concern was housing retention after start up assistance ended. A possible eligibility criterion for persons moving out of state to our jurisdiction was discussed.

There were four (4) new applicants reviewed- 1 approved for rapid rehousing; 3 pending further information updates. Details on Case Management Notes.

Updates were also given on recent applicants 4 who were approved in prior meetings that have been given either an EIC application, housing voucher or rapid rehousing approval. They are not in permanent housing as of today, but are hopeful with the EIC voucher and Rapid Rehousing Assistance we can report them as housed at our next meeting.

Meeting Adjourned at 10:45 am. The next meeting is scheduled for August 12th @ 9am
