New referrals and By-name List Review

- One new case was staffed on today. The committee agreed that the individual should be placed on the by-name list until a slot becomes available with one of the housing programs. In the meantime, the individual will remain at the Union Mission Shelter in Roanoke Rapids.

Review and Updates

- Updates were given on the individuals on the by-name list. Many are still in the housing search. Also, River City is currently assisting 12 individuals/families with hotel stays.

Election

- Lakitra spoke to the committee about the importance of electing an Unsheltered Access Coordinator and Regional Alternate Lead. Both positions need to be filled by January 1, 2022. Cara agreed to take on the Regional Alternate Lead position. Some of the committee members requested that they receive more information concerning the Unsheltered Access Coordinator position. An email with the roles and responsibilities along with a link to the webinar trainings that have been held so far will be mailed to committee members.

Program Updates

- Trillium Health Resources - not accepting referrals for B@H and there are no PSH openings
- River City – not accepting referrals for any of their programs

Announcements
