Attendees: Tambra Chamberlain, Tujuanda Sanders, Lori Watts, Manuel Hyman, Deniece Cole, Stephanie Gilliam, Teresa Robinson, Jeff Rawlings

Staff: Andrea Carey, Jeremy Ratcliff, Laurel McNamee, Andriana Diaz

Celebration

-

Data

- Racial Equity Assessment
- HUD's Continuum of Care Assessment Tool
  - Compares PIT data to Population Estimates from Census Data to understand the distributions of people living in poverty and for people experiencing homelessness by race, ethnicity, age, as well as Family and Veteran status.
- National Alliance to End Homelessness' Racial Equity Tool
  - Using HMIS data, the tool helps communities measure whether the outcomes of their system vary depending on the race or ethnicity of a person or family experiencing homelessness

Prioritization Work Group

- Tasked with taking a critical look at CE and the VI-SPDAT
- Scheduling regular meetings and will have doodle poll to be sent out
  - 1st Wednesday 1, 2, or 3 pm
  - 1st Thursday 10 or 11 am
- Role in CoC and Scope of Responsibilities:
  - Proposal for discussion: review changes before sent to CE Council (first line of defense)
- New data for deeper VI-SPDAT results coming

RE Dialogue Series

- In 2020, we held 4 sessions
  - Common consensus that series helped spread awareness and start conversations
- Calling volunteers!
  - If you haven't already, please respond to the email that went out yesterday if you are interested in supporting the planning and implementation of 2 Racial Equity Dialogues this fall. Send any questions you have to jeremy.ratcliff@ncceh.org or laurel.mcnamee@ncceh.org

Next Meeting

7/19/21 at 9:00AM
