Impact of racial equity in funding competitions

Emergency Solutions Grant funding

- ESG funding can be used for
 - Street Outreach
 - Emergency Shelter
 - Rapid Rehousing
 - Homelessness Prevention
 - HMIS
- Total available to NC BoS CoC for CY'23: \$2,531,321
- 33 Renewal applications and 13 new applications were received.

ESG:

- NCCEH required a separate “Supplemental Information Form” in this year’s competition with questions focused on racial equity, language access, and inclusion of persons with lived experience of homelessness.
- These questions largely mirrored the questions developed by the Racial Equity Subcommittee for the CoC funding competition in 2020.
- The scorecard used for reviewing applications was also updated to include an Equity section

Impact of RE questions on ESG funding

- Renewal agencies: *15 non-threshold Agency wide points, 10 of which were Equity (median 10, min 2, max 14)*
 - *% of points from equity questions for every program type:*
 - *SO (10/25)*
 - *ES (10/26)*
 - *HP (10/26)*
 - *RRH (10/31)*
 - *HMIS (10/19)*
- Median Equity Score by Program Type:
 - SO: 5
 - ES: 6
 - HP: 5
 - RRH: 5
 - HMIS: 5.5

Decision making process for ESG applications

- Applications were scored using “met/unmet” criteria.
- Scores were totaled and median scores were established by program type across the whole CoC.
- Agencies that did not meet the median score were not eligible for an increase in funding over last year’s award.
- Because of new requirements and changes to the process over last year, the Steering Committee took a “hold harmless” approach this year and no renewal agency was fully defunded.
- It is still safe to say that the low scores in the equity sections kept a number of agencies from reaching a median score and being eligible for expanded funding.

CoC annual funding nearly \$14 million available

- CoC funding covers:
 - Rapid Rehousing
 - Permanent Supportive Housing
 - SSO
- 25 Renewal project applications received
 - 18 PSH
 - 7 RRH
- 6 New project applications received
 - 3 PSH
 - 1 RRH
 - 2 DV Bonus projects

CoC scoring

- CoC scoring is divided into Thresholds, Standards, and Points (PSH: 184, RRH 156 total)
- Racial Equity Section:
 - 10 questions total
 - 3 Standards
 - 7 Points (total of 29 points available)
- New Standards question this year: “(nonprofits only) Do Individuals that are Black, Indigenous, or People of Color (BIPOC) comprise at least 20% of your Board of Directors.

Anti-Discrimination Policy standard was weighted

- Having an anti-discrimination policy in full compliance with the NC BoS CoC was weighed heavily, as a Key Standard, in the final priority ranking list recommended by the PRC and approved by the Steering Committee
- PRC used precedent from last year to pull down projects missing the anti-discrimination policy standard.
- 2 renewal agencies missed this standard. Both had scored 0s on the Equity Section. Combined with performance concerns these two agencies (New Reidsville Housing Authority, and Rocking Co Help for the Homeless) were not included in the final ranking list.

- Power-mapping, action plan, and accountability metrics are all being developed now!

Tentative Action Plan

Overall Results Statement

- All Black/African Americans experiencing homelessness in North Carolina Balance of State are swiftly assessed and connected to safe, stable, and suitable permanent housing and housing resources.

Targeted Goal Statement

- Between October and December 2023 Black/African Americans who are being assessed for prioritization are proportionally represented in high scores through the assessment
 - For context, Black folks represent less than 10% of the highest score in the VISPDAT! so 40-50% is a great first goal

Tentative Action Plan

- New Assessment/Survey/Training Outline Design Complete - Dec 2022
- Stakeholder review (REC, Healthcare, etc.) - Jan 2023
- Regional Pilot Implementation - April 2023
- Receive feedback from clients and assessors and implement changes - TBD
