## **Lived Expertise Advisory Council**

### **May 16, 2024, Minutes**

**Attendance:** Melissa Hewitt, Karen Carroll, Annah Carter, Von Marie Nixon, Laurel Benfield (Staff), Elliot Rhodes (Staff), Mia Philips (Staff)

#### **Introductions:**

Staff and LEAC members introduced themselves, including Mia Phillips who is new to the NCCEH staff.

#### **LEAC Leadership and SC representation:**

Laurel proposed that the group needs to decide on a leadership structure for the LEAC, and that there is still an open seat on the Steering Committee for someone with lived expertise. Laurel noted that being a chair of the LEAC would involve regular communication with Laurel, agenda planning, and facilitating LEAC meetings. Steering Committee members meet monthly and must commit to attending at least 75% of meetings annually. After a discussion, the group unanimously elected Co-chairs – Melissa Hewitt & Karen Carroll to be both co-chairs of the LEAC for a 6 month trial period, and for Karen to join Melissa on the Steering Committee for the remainder of 2024. Laurel will add a vote to the steering committee agenda for the month of June, and will add Karen to the Steering Committee email list for future updates.

#### **Bringing It Home:**

Laurel noted that members for the NC Office of Recovery and Resiliency (NCORR) have requested to attend a LEAC meeting and discuss the launch of Back@Home BoS and to seek further guidance from the LEAC for future implementation. The LEAC agreed to host NCORR representatives and have added them to the June agenda. Laurel will convey the invitation.

#### **Follow up on Region 13 CBoR presentation:**

Von Nixon presented further information on the Region 13 Committee meetings and an invitation for the LEAC to present the Client Bill of Rights. Region 13 meets in person every other month, but the next virtual meeting won't be until September. Von to send schedule to Laurel, NCCEH on agenda for September 20 virtual. 10am, third Fridays.

#### **Future Strategy:**

The group discussed strategies to continue to grow their impact and reach additional members. How to implement ideas/feedback, regional committee vs. Subcommittee. Goals included:

- More interaction with people currently experiencing homelessness.
- Ensuring providers are doing what they say they're doing.
- Listening sessions (including with people who have recently become housed)

#### **June 26 in-person Steering Committee meeting:**

Laurel informed the group that they have been invited to a 6/26/24 in-person meeting of the Steering Committee. Further details would be coming

**Next meeting**

June 14 at 12 P.M.

## **Coordinated Entry Council**

Other Attendees: Kennedy Lane; Bonnie Harper; Kisha Darden; Allie Card; Andrea Carey; Teresa Robinson; Ashley Von Hatten

#### **Unsheltered PIT**

Ashley Von Hatten reviewed the next steps for 2024 unsheltered PIT data. All regional coordinated entry leads were emailed an excel spreadsheet identifying households from 2024 unsheltered PIT who have outdated data. The agency and/or coordinated entry lead should exit these households from the appropriate project.

#### **V5 By Name List**

Andrea Carey provided an overview of Version 5 of the by-name list and the transition from VI-SPDAT to HART. BoS will allow six months for clients to be re-assessed with HART, with both VI-SPDAT and HART scores pulling to the by-name list until December 31, 2024. Andrea reviewed the HART Smartsheet form, which will be used by non-HMIS agencies.

#### **Coordinated Entry Evaluation**

Ashley reviewed the work she has completed with the Lived Expertise Advisory Council regarding the 2024 Coordinated Entry Evaluation. She has met with the LEAC three times to (a) provide an overview of coordinated entry and the evaluation process, (b) ask for feedback regarding the questions on each of the client surveys, and (c) ask for input regarding the distribution and collection of client surveys. Ashley will provide drafts of each survey for LEAC's review during their June meeting.

#### **HMIS Visibility**

Teresa Robinson provided an overview of the updates coordinated entry leads would like to see regarding HMIS visibility. This includes visibility for (a) client demographics, (b) client profile (including contact information), (c) entry/exit tabs, (d) case manager name and agency, and (e) entry/exit data. A motion was made by Andrea Perry to update HMIS visibility as presented, with a second motion by Erin Gaskin. The motion passed unanimously.

Allie Card highlighted quarter one Veteran data. With 223 Veterans (in HMIS) with a project entry, 22 recorded referrals to permanent housings, and 24 coordinated entry exits.

The group discussed holding a time to meet in-person for networking and relationship building. #### **Action Priority: External Funders**

Laurel and Lesly offered a debrief of a recent meeting with the United Way of Lee County, noting that it had been a successful meeting, and that this United Way already has a strong equity component to their scorecard, and that the director has offered to connect us with the NC Network of Grantmakers. Leslie asked if there were additional staff at the United Way of Lee County, and by the website it does not appear so.

#### **Action Priority: Education**

Teresa led a conversation about how to move forward with the priority of increasing education around racial equity in the NC BoS CoC. By using a jamboard, members added their ideas to potential projects including: a quarterly newsletter, a fact sheet, and continued racial equity dialogues.
