No clear path forward on this goal yet:

Opportunities to Inform

- Newsletter
 - One-Pager Bio about Racial Equity Subcommittee
 - Dialogue
 - Conferences
 - Where else can we show up in our communities?
- Our committee has expressed a need to continue education within our communities while engaging those that typically aren't involved in the conversation. Especially thinking of staff in positions of power and those that don't believe this work affects them. Our recent community survey has highlighted the need for our work to continue.
