

BoS CoC Steering Committee

September 19, 2008

Conference Call

2:30 PM

Agenda

- Ranking Committee Recommendations
- APRs Received
- Point in Time Information
- Access to Mainstream Services Information
- Agency Participation Chart

Ranking Committee Recommendations

- For new projects, the Ranking Committee recommends moving forward with all of the project that met the threshold score as outlined in the Score Card
- For renewal projects, the Ranking Committee recommends moving forward with all renewals, but giving stern warnings to those with low threshold scores. (All Renewals did meet the lower score established for new projects.) We could also increase intensity of quarterly monitoring for these projects.
