FUTURE REPORT OUTS – System Performance Measures

The HEARTH Act requires communities to measure performance as a coordinated system. As HUD defines how to measure the following items, we will report on these system-wide measures in future years. (Source: HUD Exchange, www.hudexchange.info/programs/coc/system-performance-measures/)

1. Length of time homeless
2. Returns to homelessness
3. Number of homeless persons
4. Employment & income growth
5. Number of first-time homeless
6. Prevention and housing placement for doubled-up youth and families
7. Street outreach exits and retention of permanent housing
