

NC BoS Regional Committee Coordinated Assessment Outcome Report

Regional Committee: BoS Regional Committee A

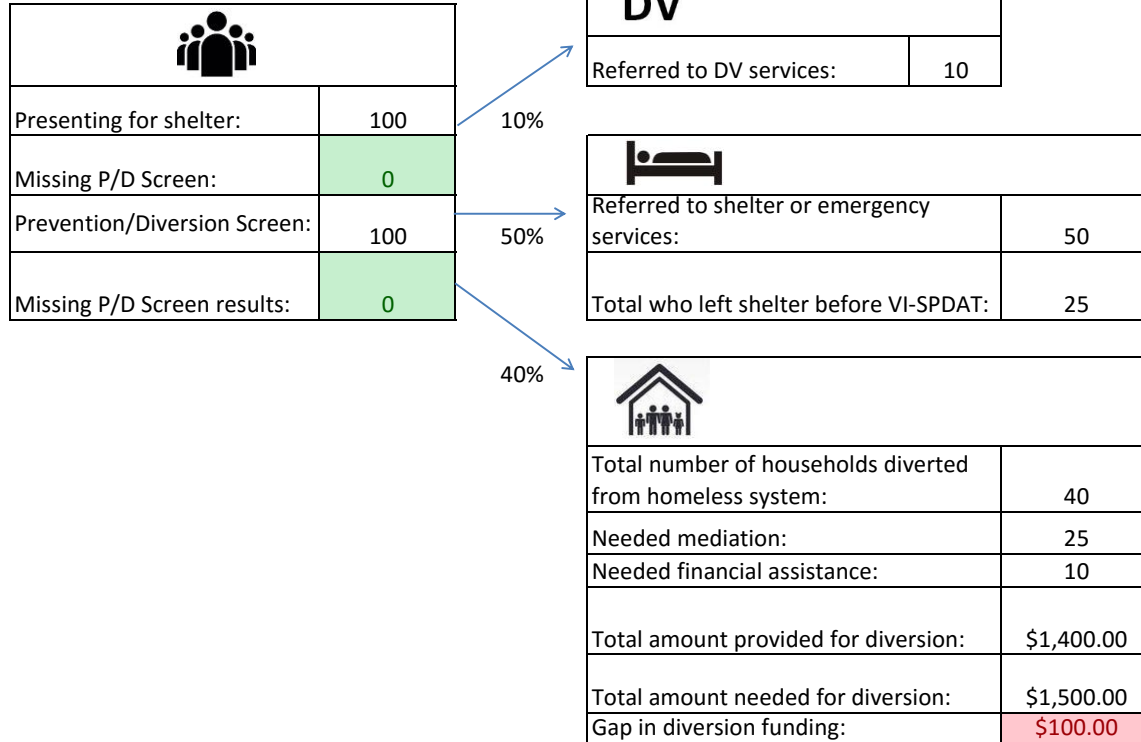

Report Due: 7/15/2016

Report Submitted: 7/15/2016

Time Period Covered: 1/1/16 to 3/31/16

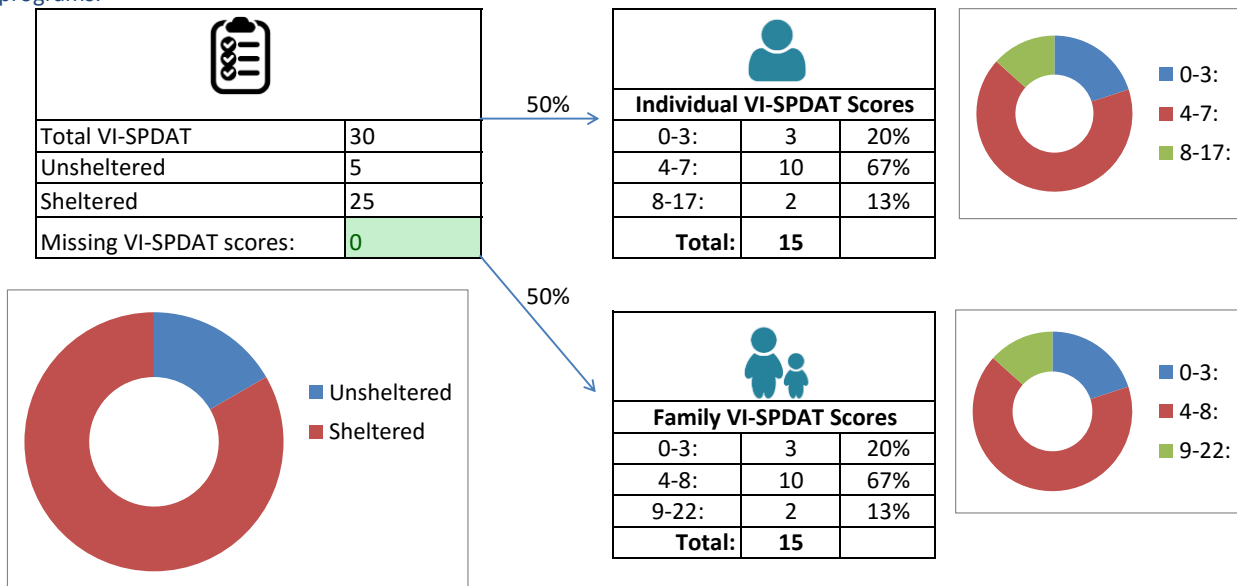

Prevention and Diversion Screen

The Prevention and Diversion screen is administered when households present in a housing crisis to see if there are any other safe housing options available to them besides a shelter bed. This screen allows communities to prioritize shelter beds for those with no other options.

VI-SPDAT

The VI-SPDAT screen identifies housing barriers for households and assists in identifying and prioritizing households for housing programs.

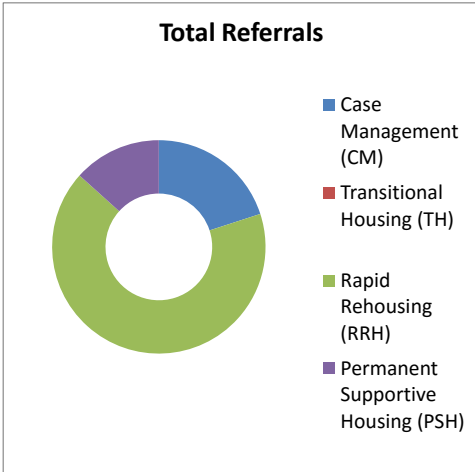

NC BoS Regional Committee Coordinated Assessment Outcome Report

Referrals

As interventions are identified, communities track the referral process for households to see how many were referred, admitted and how this impacts length of time homeless. Communities should look to this data to see if their community has gaps that are impacting the referral process.

Program Type	Total Referrals	Total Admissions	Total Waitlist	Missing
Case Management (CM)	6			
Transitional Housing (TH)	0	0	0	0
Rapid Rehousing (RRH)	20	10	10	0
Permanent Supportive Housing (PSH)	4	1	3	0
Total Housing Program Referrals (not including CM):	24	11	13	0

Possible Gaps In System:	
# Scored for RRH but not referred	0
# Scored for PSH but not referred	0

System Feedback

Individual Grievances	
# of Grievances:	3
# of Grievances Resolved:	2
Average Days to Respond:	4 days

Agency Grievances	
# of Grievances:	2
# of Grievances Resolved:	2
Average Days to Respond:	7 days

Gaps and Side Doors	
Gaps identified:	We need more capacity in RRH to take referrals quickly.
Addressing gaps:	We are looking into local TANF funding and CDBG funds to create more SSVF capacity
Side doors identified:	We have some shelter beds that the VA refers directly to.
Addressing sidedoors:	The shelter has agreed to review utilization of these beds to see if the contract is going to be continued.
