Why move on from PSH?

Transforming Lives

Reasons for move on...

- Promoting higher level of independence
- Decreasing homelessness within communities
- PSH resources can be used by individuals/families who need it most at the current time

What steps to consider first?

Transforming Lives

Initial steps taken.....

- Identify households who are good candidates
- Partnering with PHA and other Subsidy Administrators
- Targeting Properties
- Other community resources (i.e. employment resources, community agencies, DSS, Voc. Rehab, etc.)

How to implement in each county?

Transforming Lives

County implementation...

- Identify what counties have what resources
- Filling in gaps when possible using community resources
- Partnering with Subsidy Administrator Agencies that cover several counties
- Acknowledging the process will not work the same in each county

What steps still need to be taken?

Transforming Lives

Steps to work on...

- Follow-up services
- Developing partnerships in counties with less participation
- Beginning move on process at enrollment of PSH
