Agenda

- Attendance sign-in and signing of new meeting ROI's
- Case Conferencing of 4 Households for RRH
 - Cabarrus-1
 - Davidson-0
 - Rowan- 2
 - Stanly-1
- Voting and Selection of Households
- 3 households were selected for referral. The group made a decision not to select a fourth house for referral based on recent previous use of the system. The group agreed that a different household with higher needs should be prioritized.
- There were no other households presented at the meeting to refer at the time
- Process planning for HMIS
 - CA lead will be sending out households to each shelter for verification of household status after pull of data from HMIS provided by BOS.
 - Shelters will communicate information back before the next case conferencing meeting
