## **January 27, 2010 – NC Point-in-Time Count Reporting Form**

This form should be used to report your community's total count to NCCEH & the NC ICCHP

\*The Raleigh/Wake Co. CoC collected information only on the total number of people in PSH; it did not collect numbers of men, women, children, and adults. Because this information is missing from the total numbers of men, women, children, and adults, the total number of persons in PSH will be greater than the sums of these component categories.

\*\*Number of people who were chronically homeless **before** entering the TH/PSH program.

\*\*\*Does not include numbers from TH/PSH programs.
