Unsheltered PIT Count

Unsheltered Count

- Unsheltered household are counted through the regional by-name list – this is extremely important in your work of connecting households YEAR ROUND to coordinated entry!
- For an unsheltered household to be counted for the unsheltered PIT they must appear on the regional by-name list and have BOTH of the following:
 - A current living situation listed as a place not meant for habitation AND
 - A current living situation date of the date of PIT (usually the last Wednesday in January)

Unsheltered Count

Three ways households can be counted for unsheltered PIT

1. Unsheltered household located on night of PIT and survey was completed with the household and they were entered into HMIS and the by-name list
2. Unsheltered household is currently on the by-name list and is contacted on the night of/day after unsheltered PIT and their current living situation is verified as place not meant for habitation for the night of PIT
3. Survey is completed with unsheltered household (up to seven days after PIT) and their sleeping location on night of PIT is confirmed as unsheltered

Street Outreach 101

Getting Started

- Remember your implicit biases and privileges
- Practice active listening
- Dress appropriately – weather AND context
- Bring easily accessible ID

Where to look

- Public parking lots (libraries, providers, bus stations, etc.)
- Known encampments
- Woods near railroad tracks, providers, downtown areas
- Underpasses
- Walmart, Target, Home Depot parking lots and areas behind them
- Areas around day/night shelters (convenience stores, Hardee's, etc.)
- Areas with significant portions of unoccupied housing/structures

Dos and don'ts

- DO look people in the eye (unless this is making them uncomfortable!)
- DO put your phone, Apple watch, etc. away
- DO adjust your volume and speed based on the person's response to your speech
- DO stay positive, but affirm their struggle
- DO let people sleep
- DO work in a buddy system, for safety and for accuracy
- DO police each other – if you see something, say something!
- DO stay on task, but prioritize the person
- DO keep an eye out for language barriers
- DO use respectful titles as appropriate
- DO take breaks!

Dos and don'ts

- DO NOT assume someone's housing status
- DO NOT assume someone's pronouns
- DO NOT assume someone's familiarity (or lack thereof) with resources
- DO NOT touch anyone without explicit verbal consent, especially to wake them
- DO NOT take photographs
- DO NOT withhold items for only those who participate
- DO NOT trauma dump/repeat shared stories
- DO NOT try to relate – everyone's story is unique to them
- DO NOT make suggestions about ways to improve their situation
- DO NOT make promises you cannot keep
- DO NOT offer to pray for people, unless they brought it up first

Opening the conversation

- Identify yourself (with photo ID if necessary) as their neighbor
- State what organization you are with and keep it simple
- State that you do not work for the federal government or law enforcement
- Instead of "What's your first and last name?" "I go by Liz, what's your name?"
- If 100% visibly, clearly homeless, offer the item(s) available FIRST
- If unsure, tell them you are doing a COMMUNITY SURVEY and go from there
- Make sure to state, multiple times if needed, that the survey is voluntary and confidential

Closing the conversation

- Ask them if there are any immediate needs they need help addressing
- Ask them if they are connected to any service providers right now
- Ask them if they'd like to hear more about options for services
- Thank them for their time
- Thank them for being a part of an important effort to provide better services – acknowledge that it's tough out here and we need to improve
- Tell them you hope to see them again soon
