FY2026 CoC Program Competition RENEWAL Project Application Instructions and Checklist

There are two submission phases in ZoomGrants (Pre-Application and Application). Both phases must be completed and submitted to NCCEH no later than **5pm on July 24, 2026**. It is the applicant's responsibility to ensure that all required questions are answered, all required documents are uploaded, and each submission phase is complete by the appropriate deadlines. Due to the large volume of applications, NCCEH staff will be unable to check submissions for completeness before scoring begins.

Failure to submit required documents by the deadlines may disqualify the application.

Getting Started in ZoomGrants

To create an account in ZoomGrants, you must first be invited by NCCEH. NCCEH will send an invitation link to all eligible agencies who submitted an Intent to Renew no later than June 17, 2026 by 5pm. If you have not received an invitation link or need it to be resent, please reach out to Natalie Rivera at natalie.rivera@ncceh.org.

Please follow these ZoomGrants University [instructions to create your account](#). Once you have set up your account using the invitation link, please follow these [instructions to create a new application](#) under the NC Balance of State Continuum of Care's FY2026 CoC Program Competition. See "[Creating an Additional Application in the Same Program](#)" if you are applying for more than one renewal project. Once a new application has been created, you will be able to find and access it under your ZoomGrants homepage.

All ZoomGrants applications will start with a Summary section. Please make sure the Summary is complete before moving on to the Pre-Application (first phase) and the Application (second phase).

Pre-Application

The following items are due by 5:00 PM on July 24, 2026

Grantee Agreement

- Renewal project applicants must complete and submit this form certifying that they will meet NC Balance of State CoC expectations for grant reporting, performance, and community engagement. A blank form is available to download as a template in ZoomGrants.

ONLY Non-Profit Applicants: Board of Directors

- Non-profit applications must attach a current list of the members of the agency's Board of Directors, highlighting any members with lived experience of homelessness.

Annual Performance Report from HMIS/Comparable Database

- All renewal project applicants must submit a PDF export of an Annual Performance Report (APR) for their project, with the timeframe of 1/1/2025 - 12/31/2025. Only submit an APR if your project was in operation for the full calendar year of 2025. Only PDF files will be accepted.
- In HMIS, the CoC-APR report is located under "Provider Reports" on the Reports Dashboard. For instructions on how to pull an APR: <https://ncceh.zendesk.com/hc/en-us/articles/4413851568403-CoC-APR-Annual-Performance-Report>

Spending Rate

- NCCEH staff will pull spending information for CoC Program grants that have been operating for one complete operating year or more from Annual Performance Reports (APRs) submitted in Sage. If the agency has a CoC Program grant for which at least one operating year is completed, but the agency has not yet submitted the most recent APR in Sage because the 90-day deadline to submit falls after this first CoC Competition deadline, applicants must submit actual spending information (an eLOCCS screenshot) for each of these grants. Please note: applicants whose grants have been in operation for less than one complete operating year are exempt from submitting any spending information and are held harmless for the 90% spending benchmark.
- If the applicant spent less than 90% of the funding award for the most recently completed CoC Program grant(s), the applicant must submit a narrative explaining why the agency underspent the grant(s) and how it will increase spending in the renewal grant operating year. Again, applicants whose grants have been in operation for less than one complete operating year are exempt from submitting a narrative and are held harmless for the 90% spending benchmark.

Application

The following items are due by 5:00 PM on July 24, 2026

Applicant Profile from e-snaps

- Renewal Project Applicants must complete their Applicant Profile in e-snaps, export it as a PDF, including all attachments, and submit it in ZoomGrants. Ensure all attachments have been newly uploaded to the Applicant Profile in 2026 even if they have not changed recently.

Project Application from e-snaps

- Renewal Project Applicants must complete a Project Application in e-snaps (HUD's online application system), export it as a PDF, and submit it in ZoomGrants. **Do not hit submit in e-snaps!**

Project Policies and Procedures

- Renewal project applicants must submit their agency or project's policies and procedures, which should include information about the project's target population, low-barrier policies, policy for requiring participation in supportive services, and provision of on-site substance abuse treatment, if applicable.

Documentation of Match

- **Match:** A 25% cash or in-kind match is required for all budget components except leasing. A match is required for all projects.
- **Documentation:** Cash and in-kind goods/property can be documented by signed letters. HUD requires that in-kind services be documented by a memorandum of understanding (MOU) in place by the time of grant execution, showing an unconditional commitment of services to residents in the housing project. For the purposes of this application, **you may submit a letter in place of the MOU**, provided the MOU will be in place by the time of grant execution.
- Please use the match letter template provided in ZoomGrants to collect all match documentation and to ensure all HUD criteria are met.
- For a more detailed explanation of match, refer to the match information provided on the HUD Exchange posted [here](#).

Determination of Certification with State Consolidated Plan

- **All renewal project applicants** must submit a Determination of Certification form. The State uses this form to determine whether the project is consistent with the state Consolidated Plan, which is required by HUD. You can download the form in ZoomGrants. **The form must be submitted with all applicable fields completed and an electronic signature.**

ONLY Renewal Project Applicants from communities with a Local Consolidated Plan: Local Consolidated Plan Certification

- Any renewal project applicant whose agency is in a jurisdiction that has a local Consolidated Plan must submit a Consolidated Plan Certification ([HUD-2991](#)) signed by a representative of the local plan. This certification states that the project's goals and activities are consistent with the goals of the local Consolidated Plan.
- HUD's listing of local Consolidated Plans in North Carolina can be viewed [on their website](#). Jurisdictions with local Consolidated Plans include:
 - Bertie/Halifax (Lead Entity)/Hertford/Martin/Northampton Counties
 - Burlington (Lead Entity)/Alamance/Caswell/Davidson/Randolph

- Concord (Lead Entity)/Cabarrus, Iredell & Rowan Counties/Kannapolis/Salisbury/Statesville/Mooresville
